AYALA HIGH SCHOOL BAND AND COLOR GUARD

Music in Motion

FIELD TOURNAMENT

The Ayala High School Band and Color Guard is proud to host their 3rd Annual Music in Motion Field Tournament, a Western Band Association adjudicated show, at the Ayala High School Stadium, 14255 Peyton Drive in Chino Hills on Saturday, October 17, 2009. Opening ceremonies will begin at 1:30 p.m.

This family event is fun and exciting as twenty eight High School Marching Bands and Auxiliary from throughout California and Oklahoma, compete for scores and placement by presenting outstanding musical and visual performances. Over 2500 performers will be in attendance. Bands vary in size, as does the complexity of their musical and visual shows. This is one of several competitions leading to the WBA Statewide Championships to be held in Clovis, CA in late November.

Admission to this event is \$10 for adults, \$5 for children ages 5-12 and seniors over 65 (with proper identification), and children under age 5 at no charge. Military personnel with ID or in uniform will be admitted for free. Food, drink, and souvenirs will be available for purchase. All proceeds from the show help and support the Ayala Band and Color Guard in purchasing musical instruments and equipment.

The Ayala High School Band and Color Guard is under the direction of Mr. Mark Stone. Ayala earned the title of Regional Champions at the 2007 Bands of America Competition in Los Angeles, CA. The Ayala Band and Color Guard wishes all participants in the Music in Motion Tournament "Good Luck".
