

DIRECTIONS

PLEASE NOTE NEW CHECK-IN PROCEDURE FOR 2008 AND SPECTATOR PARKING CHANGES.

No spectator parking on campus

Due to the many bands in attendance and to provide a proper atmosphere for band preparation, there is no spectator or car parking other than handicapped parking on campus. All instructors and techs should ride with a bus. If not possible you will have to park your car in off site spectator parking. We have plenty of spectator parking in our satellites and available street parking within walking distance to the school. Please reinforce with the boosters that absolutely no one will be allowed to park on campus including extra chase vehicles. Drops off for food can be accommodated but you will be escorted in and out. Please enter the area from Eucalyptus. School cannot be entered from Peyton drive. We appreciate the cooperation with our volunteers.
