

2010 ADVERTISING PROGRAM FUNDRAISERS MUSIC IN MOTION FIELD COMPETITION AND GOLF TOURNAMENT

The Ayala High School Band and Color Guard will sponsor two major fundraising events in the fall of 2010.

“Music In Motion” on October 16th.

The Ayala Band Boosters will host our 2nd Annual Golf Tournament on Monday, October 25, 2010 at Western Hills Golf Club.

Each student will receive 50% of ads that they sell!!

This is a great opportunity to raise money for your Student Account.

These programs provide a great service to the community. Approximately 4,000 participants, families and spectators will see the program from over 30 schools from around Southern California. Remind companies and businesses, that any money spent on advertising is considered a charitable contribution and is tax deductible.

We are also offering “Personal Ads” for Music In Motion only. This is an opportunity for families, friends and Boosters, to send best wishes to the participants and/or teams. The ad is approximately 1” X 3” with up to 3 lines, at a cost of \$15.00 each ad. Please be advised that these ads are subject to censure and may be edited accordingly. Student accounts will not be given for these personal ads.

A Program Advertisement Form can be found on the web site & with Heather Baiseri. Make copies of the Program Advertising Form and include one form per each advertisement sold. Be sure all of the information is filled out completely and legibly. Please include your student’s name and telephone number at the bottom of each form for account credit.

Checks should be made payable to: “Ayala BAC”.
